## IEPs and 504s

Course request for students who have an IEP, should be reviewed by the IEP team prior to the student's being placed in an SCVSP class. The IEP team should make the determination that virtual schooling is an appropriate placement before the enrollment process.

If a student placed with the SCVSP has an IEP or 504 plan, the accommodations page must be provided to the SCVSP. Please send the accommodations page only to SCVSP Student Services via email at [scvsp@ed.sc.gov](mailto:scvsp@ed.sc.gov) (Note: Please do not use the student's name in the Subject of the email)

[New to SCVSP, apply here.](#)

**Already a VSA user?**
